February 12, 2007, Alexandria, Va. – The February 15, 2007, National Credit Union Administration (NCUA) Board meeting agenda has been modified. An item has been added to the closed session; therefore, the NCUA Board will meet in closed session immediately following the open meeting.

The revised NCUA Board meeting agenda is available online at [ncua.gov/NCUABoard/Calendars/board\\_calendar/ag07-0215.htm](http://ncua.gov/NCUABoard/Calendars/board_calendar/ag07-0215.htm).

The National Credit Union Administration is the independent federal agency that regulates, charters and supervises federal credit unions. NCUA, backed by the full faith and credit of the U.S. government, also operates and manages the National Credit Union Share Insurance Fund (NCUSIF), insuring the deposits of over 85 million account holders in all federal credit unions and a majority of state-chartered credit unions.
