Illinois Delegation Attends NCUA Board Meeting

September 29, 2009, Alexandria, VA. – A delegation of Illinois credit union officials traveled to Washington to attend the September 24, 2009 meeting of the NCUA Board as well as meet with their elected officials.

Prior to the board meeting, the group was able to meet with Board Member Michael E. Fryzel, an Illinois native.

“I am always pleased to meet with credit union advocates who travel to the nation’s capital to discuss important issues with their Representatives and Senators,” Fryzel stated. “I was equally happy to talk with the Illinois delegation who were well versed in pending issues from corporates to member business loans.”

The National Credit Union Administration is the independent federal agency that regulates charters and supervises federal credit unions. NCUA, with the backing of the full faith and credit of the U.S. government, also operates and manages the National Credit Union Share Insurance Fund, insuring the deposits of nearly 90 million account holders in all federal credit unions and the majority of state-chartered credit unions.
